PROFESSIONAL SUMMARY

My goal in this trade continues to be building a wealth of skills that help both me and my employer. A more recent goal is to find a career position that helps me feel secure in my present and future life.

SKILLS

- Hydronic Heating
- Boiler Diagnosis/Installation
- 24V Electrical Systems
- Residential/Commercial Plumbing
- Backflow Testing
- Drain Cleaning

WORK HISTORY

Maintenance Plumber / Bouygues E&S - Surrey, BC / 07.2019 - Current

- Performed a number of preventative maintenance tasks on a daily, weekly, monthly basis.
- Responded to reactive calls in a timely fashion, being professional with the clientele, and diligent with the paperwork.
- Assisted other tradespeople with their work when a hand was required.

Burner Technician / KG Wardstrom Industrial Gas - Surrey, BC / 12.2018 - 07.2019

- Duties include attending burner/boiler issues in an industrial setting, diagnosing and repairing.
- Installation and rerouting of gas lines.
- Performing preventative maintenance on a myriad of different burner systems.
- KG Wardstrom has given me exposure to many very different applications, and the problem solving that invariably comes with it.

Service Plumber / Reggin Technical Services - Calgary, AB / 06.2017 - 09.2018

- Primary responsibilities include the diagnosis and repair of mechanical systems in both residential and commercial settings, including high rise buildings.
- Reggin Technical allowed me to gain experience with many areas including sump pumps, boiler repair and installation, hydronic heating systems, leak investigation and repair, fixture repair and replacement, and much more.

Commercial Plumber / Botting and Associates - Calgary, AB / 09.2014 - 04.2017

- Primary responsibilities include the installation of heating lines, domestic water lines, and drainage systems.
- This position has helped me develop a knowledge of a wide range of plumbing materials and systems.
- Within Botting, I was able to develop a great fundamentals base for plumbing, and established a real enjoyment of the trade.

EDUCATION

Southern Alberta Institute Of Technology - Calgary, AB / 2018

Red Seal Plumbing/Gasfitting Ticket

- Merit 1st Year Apprentice of the Year 2015
- 24V Electrical Endorsement
